Subject: Notice of File Closure and Release of Reclamation Surety, JLW Resources Inc, JLW 33, S/017/0042, Garfield County, Utah

Dear Mr. Blackham:

The file for the JLW 33 mine, S/017/0042, located in Garfield County, Utah, will be closed and the file retired. The Division has no record that permit fees were ever paid for this site, and no reclamation surety was posted. It does not appear this site was ever disturbed, but if reclamation work needs to be done, the Division could perform the work and seek compensation from you. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice to the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Wayne Western at (801) 538-5263.

Sincerely,

Paul B. Baker
Minerals Program Manager
